### MY PARENTS

My parents are very loving  
And are very nice and caring  
They can be so sweet  
And give me a treat

Mommy knows what I mean  
And teachers me to clean  
Daddy can work very hard  
But can play good with a card

I can struggle with work  
Because I can smell my mom's pork  
My dad likes to give me goodies  
Once he even gave me cookies  
We really love to stay together  
And be a family forever  
Also have lots of fun  
And eat my lucky bun

They also taught me to care  
And be friendly and then share  
Daddy likes green and blue  
Mommy too and it's true

I learned lying is bad  
Because if you do it they're mad  
My parents love me and I love them  
Oh how I wish I could buy a gem

### FOOD

I love foods with a very big crunch  
Especially when it's from my lunch

I like burgers and crunchy fries  
Pizza, donuts, and yummy pies

Raspberries & chocolates are the very  
best  
That I like to eat before taking a hard  
test

Apples and cherries are very sweet  
But mangoes to me are the best treat

My favorite foods are bacon and egg  
But when my mom doesn't cook it I beg

Whenever I eat food  
It puts me in a good mood.
